

Layered Salad

- 1 salad bag – Romaine and Radicchio (chopped)
- 3 stalks of celery – chopped
- 1 red bell pepper – chopped
- 1 green bell pepper – chopped
- 1 Bermuda onion – chopped
- 1 bag frozen corn
- 1 jar whipped salad dressing or any thick dressing you like
- Sprinkle of garlic powder w/parsley
- 1 bag shredded cheddar cheese
- 1 jar or bag of real bacon bits

6 Chop all the vegetables including the salad bag. I know the salad is already prepared for eating, but chopping it again, gives a better look and it goes further.

6 Next, in a glass bowl layer the ingredients in the order as listed.

6 The best thing about this salad is - you make it yours. Add beans, tomatoes, shrimp, and grill chicken, whatever. Be creative!

6 This salad makes a great party contribution both in taste and color.
